HOW WILL THIS RETREAT FEEL LIKE?

Playground

We celebrate the joy of exploration through embodied experiences that invite you to move, laugh, and connect with lightness and play. Our event is a space to let go, be curious, and rediscover the simple pleasures of play as a path to deeper connection with yourself and others.

TANTRIC

We aim to connect with heightened awareness and presence, helping you channel your life energy from your heart, integrating it with your authentic self to fully realize your potential for deep, meaningful connection.

CONSCIOUS KINK

Conscious Kink means a mindful and intentional approach to exploring one's sexual identity, desires, and boundaries in a safely held container that supports a shame-free and non-judgemental approach to sexuality.

S3XPOSITIVE

We challenge the taboo of sexuality by discussing it, learning in workshops, and playing in safe spaces. S3x is possible but not promised, with personal encounters never forced or mandatory.

Fullfill your deepest sensual & sexual desires
